#### Outreach Ministry

- School supply collection continues for the next two Sundays. Suggested school supplies include paper, crayons, colored pencils, pens, 3-ring binders, calculators, and book bags. IF you wish to donate cash and checks you are welcome to. The money will be used to buy some of the more expensive items. Supplies will be donated to four local schools--Norge and Stonehouse Elementary, Toano Middle School, and Lafayette High School. This will be done through the counselors to those students truly in need. Contact Lori McClure if you have questions.
