Outreach Ministry

- School supply collection continues today and next Sunday. Suggested school supplies include paper, crayons, colored pencils, pens, 3-ring binders, calculators, and book bags. If you wish to donate cash and checks you are welcome to. The money will be used to buy some of the more expensive items. Supplies will be donated to four local schools--Norge and Stonehouse Elementary, Toano Middle School, and Lafayette High School. This will be done through the counselors to those students truly in need. Contact Lori McClure if you have questions.

Discovery Time Ministry

- Bob Melone will begin a special sermon series today, and we invite all children in grades K-5 to remain in worship so they can participate. The series will run through Sunday, September 3. A preschool class will still be offered, and parents are encouraged to drop off their preschoolers in their classroom before worship begins.
- The next children's ministry meeting will be held on Wednesday, August 16, at 7:00 p.m. at the church office. We invite anyone who has an interest in our children's programs to come to this meeting to discuss program offerings for the upcoming year. We are especially in need of volunteers who would be willing to help us with all aspects of our children's program during the next year. We are looking for people to help with teaching, planning events, coordinating volunteers, organizing mission projects, writing newsletter articles, marketing, providing supplies, preparing materials for classes, sharing music, leading crafts, etc. Please call Heather if you have any questions or would like more information.
